Admission to the examination may be subject to special admission requirements which must be met in person by the participant if he or she intends to undertake an examination. Participation in a course does not justify the right to undertake the exam.

03. Registration

Registration for courses and examinations are required at least in writing and can be made on the Internet at www.gsi-slv.de or by using a registration form, which can be obtained from GSI mbH.

Registrations are considered as binding offers of contract.

If the test is carried out by an external testing organization, another application is required. The necessary documents will be provided at latest by the beginning of the course.

The contracting party (hereinafter also referred to as the "orderer") of GSI mbH becomes the company registering the participant (s) and / or the self-pending private person registering as a participant.

04. Contract

With the confirmation of the registration by GSI mbH the contract with the customer comes into effect.. Registration confirmation is at the very least in writing.

06. Substitute Participant / Cancellation / Interruption / Discontinuation

In the case of special training, the full daily rates are charged for started days of training and the full examination rates for examinations.

If the participant has been legally registered for several consecutive courses, in the case of proven non-culpable and final participation prevention (for example due to illness or accident) the prices for courses or parts of courses already started shall be paid up to the date of participation in the course.
